The Golf Club at Devils Tower Opens Exclusive Opportunity for Membership

Majestic Enclave Offers World Class Golf and Hunting

Hulett, WY (November 1, 2007) - The Golf Club at Devils Tower today announced that it is moving into a new era of development. With the finishing touches completed on the par 72 championship course, the Club moves forward with the next phase of offering equity memberships and plans for an exclusive community.

With Devils Tower as a backdrop, the Club is uniquely situated in one of the most remote and scenic settings in the country. The Club also provides members with world-class hunting and outdoor experiences.

“The Club has been a dream of the Neiman family for many years. With the completion of the back nine and finished road construction, we are ready to begin our development into a private golf and sporting club,” said Brian Carmichael, the Club’s general manager. “With our new clubhouse on the horizon and new luxury home and cabin sites, as well as rental cabins, we are ready to build a truly unique and exclusive club destination.”

The new private luxury club features a Phelps-Atkinson designed 18-hole championship golf course, as well as future plans for uniquely situated cabin and home sites nestled in the tall pines, red rim rock and rustic terrain. The Club has begun plans for a clubhouse and recreation center that open up to a panoramic view of Devils Tower and the natural beauty of the area.

Club amenities:

- 18-hole championship [golf course](#)
- [Airfield](#) less than five minutes from 1st tee box
- Clubhouse and restaurant
- Hiking trails and [natural parks](#)
- Prime [hunting](#), including big game—elk, deer, and antelope, in addition to upland birds and turkey
- Situated in the beautiful, historic Black Hills
- Proximity to several national [landmarks](#), including Mount Rushmore, Deadwood and Devils Tower
- Access to some of the best [snow sporting](#) in the country, including snowmobiling, cross-country skiing and downhill skiing.

The Club is accepting founding memberships with an overall goal of 450 members in the next 5 years.
